

Employer Financial Incentives

CIM Employment Services may be able to offer your business a **Financial Incentive** to employ one of our Jobseekers.

Our service can negotiate to pay your business in 2 ways in the form of a Wage Subsidy, this is for a Jobseeker on the Employment Placement Program and is based on certain eligibility requirements:-

- 1. Wage Subsidy:** up to **\$1500** (excluding GST) as an incentive to employ our Jobseeker. Your business will receive the total Wage Subsidy payment after the Jobseeker has completed their initial 13 weeks of employment.
- 2. Wage Connect Subsidy:** up to the value of **\$5700** (excluding GST) as an incentive to employ our Jobseekers who have been unemployed long term. You will receive a portion of the Wage Subsidy payment after the Jobseeker has completed their initial 13 weeks and the balance of the payment after they have completed their initial 26 weeks in employment.

Our Jobseeker's employment must be for a minimum number of negotiated hours per week and must go for a minimum number of 26 weeks and have a reasonable expectation of continuing past this period.

The employment must be under open employment conditions, that is, under a Legal Industrial agreement that complies with minimum standards established under Commonwealth, State or Territory law and it must also guarantee the worker a weekly award-based wage.

Please contact **CIM** today on **07 3807 5559** if you are interested in employing one of our Jobseeker's and wish to access a Wage Subsidy.
